

SSAA Victoria – Range Admission Pricing

(Effective 5 June 2023)

SSAA Victoria is committed to delivering the best possible experience and value for money for everyone who visits the Association’s ranges.

Over the past couple of years, the Association has been able to absorb cost increases for members and guests despite a significant investment in improving the facilities at both Springvale and Eagle Park and inflation in the Australian economy running at a thirty-year high.

To maintain the viability of our SSAA Victoria’s ranges and the Association’s ability to continuously invest in improving and upgrading facilities, effective 5 June 2023, a modest price adjustment will be applied.

We appreciate your ongoing support and look forward to continuing to offer high-quality facilities and shooting experiences for all our members and guests.
